The guide is effective from 1 September 2020

About this guide

How your membership guide works with your membership certificate

Your membership guide and membership certificate should be read and kept together. Your membership certificate contains details of everyone who is covered on the policy along with the level of cover.

Statement of demands and needs

The cover provided under the membership of the *scheme* is generally suitable for someone who is looking to cover the cost of a range of dental treatment expenses. **We** have not provided you with any advice about your cover and how it meets your individual needs. Please read your membership certificate and membership guide to make sure that this policy still meets your needs.

Definitions

Some of the words **we** use in this membership guide have specific meanings. In Section 5, 'Definitions', you'll find a definition for each of the terms used in ***bold italic*** throughout the guide. This will help you understand what **we** mean when **we** use these terms.

1. Claiming

Before your dental treatment

Before you have any treatment, it's important to check your membership certificate and guide to understand what you're covered for. You will need to check your membership certificate for details of who is covered on the policy and the level of cover you have.

Always call **us** if oral cancer treatment is required, as this needs to be pre-authorized prior to receiving any treatment. Please refer to Section 3.7, 'Oral cancer treatment'.

Did you know?

You can see any dentist of your choice, whether it's for private or NHS treatment (if in the **UK**).

After your dental treatment

How you pay for your treatment depends on which dental practice you use.

When using any dental practice

You'll need to pay for your treatment and then claim some or all of it back, depending on the limits of your cover, within 12 months of your treatment date.

Following your appointment, you must ensure your receipt contains the following information:

- name of the person receiving the dental treatment;
- date the dental treatment took place;
- details of dental treatment received including the cost of each;
- the dental practice name, address and telephone number; and
- proof that you've paid for your dental treatment.

In selected Bupa-owned practices

No forms, no fuss claiming

When you visit participating **Bupa**-owned practices within **our** dental insurance network **we** don't expect you to pay up front and then claim back the cost of your treatment†. Instead, the practice submits the claim directly to **us**, and **we** take care of it without you needing to do anything further.

We call it 'no forms, no fuss claiming', and it means that if the treatment is covered under the policy, subject to your benefit limits you won't need to pay for the treatment.

No forms, no fuss claiming is not available in all **Bupa**-owned practices.

Key information

To find out which practices offer these services, please visit **finder.bupa.co.uk** and search **Dental Insurance Network**.

-

3.1 General policy conditions and exclusions

Note: these conditions and exclusions apply to all sections of your policy.

- **We** agree to pay benefits for necessary dental treatment received by you in accordance with the terms and conditions of your membership.
- Benefits are only payable by **us** to reimburse fees and expenses actually incurred by you in respect of treatment provided by a **dental professional**.
- Any fees you may incur with a third party to cover dental services via your dentist (ie a dental monthly payment plan) are not covered.
- **We** only pay for the dental treatment and oral cancer treatment specified in the 'Bupa Dental Plan Table of Cover' section of this membership guide and as set out in the membership certificate.

- Any treatment costs you incur that are not covered under your policy's benefits are your responsibility.
- Payment of benefits is conditional upon your **sponsor** having paid all premiums due for the **main member's** membership and that of any **dependants** on or before the date of the treatment for which you are claiming benefits. If you are a **contributing member**, please refer to Section 4.9, 'Contributing members'.
- You can only claim for eligible dental costs once. If you have any other policy that provides dental cover, the costs of your treatment may be split between **us** and the other insurance company. You will be asked to provide **us** with full details of any other relevant insurance policy when you claim.
- **We** may contact your **dental professional** to request further information about your claim or dental treatment. **Our** own dentist will review this to advise **us** about the medical facts relating to your claim.
- Where you make a valid claim, **we** will reimburse you for that claim unless you choose to use 'no forms, no fuss claiming'.
- Claim advices will be sent addressed to the **main member** or **dependant** (when aged 16 and over) who has received the treatment.

- **We** do not have to pay a claim if you break any of the terms and conditions of your membership, which is related to the claim. **We** may not pay a claim in full or part if there is reasonable evidence that you did not take reasonable care in answering **our** questions. By this **we** mean giving false information or keeping necessary information from **us**, please refer to Section 4.6, 'Fraudulent or misleading information'.
- Any dental treatment required as a result of nuclear or chemical contamination, war, invasion, acts of foreign enemies, hostilities (whether war be declared or not), civil war, rebellion, revolution, terrorism, insurrection, or military or usurped power is not covered.

3.2 NHS treatment

For all treatment where 'up to NHS limits' is shown in the Table of Cover (please refer to Section 2, 'Table of Cover') the following applies.

What's covered

- Costs for treatment carried out on the NHS by an NHS dentist will be fully reimbursed
- If you are on the Core (NHS) level of cover, and you have private treatment, **we** will pay the NHS equivalent costs. This means the amount of money your treatment would have cost if it had been carried out and charged by the NHS

What's not covered

- If you are on the Core (NHS) level of cover, any costs of private treatment that exceed the charges that would be paid if you had been treated on the NHS
- If on the Core (NHS) level of cover, any treatment that the NHS would not provide
- Any exclusions listed in the 'General policy conditions and exclusions' section 3.1

Additional information

- **We** follow the rules applied by the NHS for dental treatment.
- To understand the rules and what NHS treatment costs will apply to you please ask your dentist or refer to your local NHS website for information.
- The NHS has fixed charges for treatment; the price will vary depending on your location in the **UK**.
- NHS treatment charges may change on an annual basis and you are covered up to the applicable limit currently charged by the NHS at the time you have your treatment.

Did you know?

If you have selected the Core (NHS) level of cover, and you choose to have private treatment this means that you will need to ask your **dental professional** whether the treatment would be available on the NHS and if so, the amount you would be charged by the NHS.

If the treatment is covered by the NHS, **we** will pay the NHS equivalent cost and you would cover any additional cost of having the treatment done privately.

If the treatment is not covered by the NHS, it is not eligible for cover therefore you would need to pay for the full cost of treatment.

4.8 Policy notices

No amendment or variation to the terms and conditions of your membership shall be valid and effective unless made in accordance with these rules and benefits or specifically agreed between the *sponsor* and *Bupa* and confirmed in writing. Unconfirmed verbal communications cannot override the written terms and conditions of your membership, nor amount to any *agreement* to vary any of its terms. No third party is authorised to effect any such amendment or variation on behalf of *Bupa*, or to waive any of *Bupa's* rights.

Any failure by *Bupa* to exercise, or any delay by *Bupa* in exercising, any of its legal rights or remedies under the *agreement* shall not amount to any waiver by *Bupa* of any such rights or remedies.

You must notify *Bupa* in writing as soon as is reasonably practicable of any claim or right of action you have against any third party in connection with circumstances which may give, or have given, rise to a claim against *Bupa* for the payment of benefits.

Benefits are paid on condition that you take all steps which *Bupa* may reasonably require, for the purpose of reimbursing *Bupa*, to recover from a third party any sums paid to you by *Bupa*.

You must take any reasonable steps *we* ask of you to recover from the third party the cost of the treatment paid for by *us* and claim interest if you are entitled to do so.

Any notice or communication which is given under or in connection with this *scheme* shall be sent in writing by email or by pre-paid post, recorded delivery or delivered personally in the case of *Bupa* to *Bupa's* administrative address at **Bupa, Bupa Place, 102 The Quays, Salford M50 3SP** and in your case or the case of the *sponsor* to the *main member's* address, or the *sponsor's* address, as the case may be, last notified in writing to *Bupa*. In the absence of evidence of earlier receipt, any notice or communication shall be deemed to have been received on the day following delivery if delivered personally, in writing by email or by pre-paid post three days after posting.

4.9 Contributing members

This section only applies to *contributing members*.

The *sponsor* must pay to *us* premiums and any other payment due for the *main member's* membership, and that of any *dependants* covered under the *agreement*. The *main member* contributing to the cost of premiums for him or herself and/or any *dependants* does not in any way affect the contractual position set out in the 'How your membership works', please refer to Section 4, 'How your membership works'.

Contributions paid by the *main member* to the premiums the *sponsor* has paid for them (eg by payroll deduction) will be deemed to have been received by *Bupa* once they are received by your *sponsor*.

As soon as reasonably practicable the *main member* will be provided with the terms and conditions that will apply to your cover, and the *sponsor* will notify the *main member* of the contribution they will need to make to the cost of premiums from the cover start date for the next membership year.

If the *main member* does not want their cover (and therefore the cover for *dependants*) or the individual cover for any *dependants* to renew at the *annual renewal date* they can notify the *sponsor* at any time in advance of the *annual renewal date*.

If the *main member* wishes to end their membership (and therefore that of *dependants*) the following terms apply:

- The *main member* may end their membership (and therefore the membership of *dependants*) by informing the *sponsor* within 21 days of either:
 - the date the *main member* receives their terms and conditions (including the membership certificate) confirming cover or
 - the *main member's* cover start date

whichever is the later. During this 21 day period if the *main member* and *dependants* have not made any claims, *we* will refund to the *sponsor* all of the premiums the *sponsor* has paid for the *main member* for that year.

After this 21 day period the *main member* can end their membership (and therefore the membership of all *dependants*) by informing the *sponsor* at any time during the year, in which case *we* will refund to the *sponsor* any premiums the *sponsor* has paid for the *main member* and *dependants* that relate to the period after their membership ends.

- The **main member** may end the membership of any **dependant** by informing the **sponsor** within 21 days of either:
 - the date the **main member** receives the terms and conditions (including membership certificate) confirming the cover for that **dependant** or
 - the cover start date for that **dependant**whichever is the later. During this 21 day period if no claims have been made in respect of that **dependant** **we** will refund to the **sponsor** all of the premiums the **sponsor** has paid for the **main member** that relate to that **dependant** for that year.

After this 21 day period the **main member** can cancel a **dependant's** membership by informing the **sponsor** at any time during the year, in which case **we** will refund to the **sponsor** any premiums the **sponsor** has paid for the **main member** in respect of that **dependant** for the period after their membership ends.

Your membership will automatically end if the **sponsor** does not pay premiums or any other payment due under the **agreement** for you or any other person, however, **we** will continue to pay eligible claims for you for the period for which the **main member** can provide evidence (eg on payslips) that they have paid contributions to premiums to the **sponsor**.

Where **we** have refunded to the **sponsor** premiums paid for the **main member** or **dependants**, the **main member** should contact the **sponsor** in order to obtain a refund of the contributions they made to those refunded premiums.

Changes to your membership

If:

- any changes to the terms and conditions of your membership, including your benefits, are agreed between the **sponsor** and **us**, or
- **we** change the procedure for making a claim

the **main member** will be informed before the change takes effect. If the **main member** does not accept any of the changes they can end their membership (and that of **dependants**) by informing the **sponsor** either:
